Mystiq

Elegant and minimalist, this range is designed for those who desire the flush-fronted, full-height look within the budget of a more standard cubicle system. The design creates high privacy for users and clever material layering ensures this solution will provide good value-for-money for any client. Plain colour and woodgrain laminates can be used to suit almost any look and feel.

Cost effective full height system

Formed from high pressure laminate panels, with MFC option available.

Total flexibility of cubicles sizes

Solid stainless steel ironmongery that can be powder coated in range of colours

Versatile - can be installed in conjunction with dividing stud partition walls

Subtle head & base fixing detail

40mm thick doors and pilasters

20mm thick divisions

Experience washrooms
that go beyond.

Specification

MYSTIQ

Reference: Maxwood MYSTIQ Range

DIVISIONS

Core material: 18 mm high grade particle board 650 kg/m³

Colour/Finish: High pressure laminate as per client choice, giving 20 mm overall panel thickness.

Edge Treatment: All edges lipped in impact-resistant ABS lipping with polyurethane adhesive (see below).

Adhesive Type: All components are bonded with specialist polyurethane washroom adhesive, for ultimate water-resistance and strength of bonding. This adhesive is environmentally friendly with zero rating formaldehyde emissions.

DOORS / PILASTERS

Core Material: Two layers of laminated 18mm high grade particle board, bonded together with PU adhesive to form panels of 40mm overall thickness.

Colour/Finish: High pressure laminate as per client choice.

Edge Treatment: All edges lipped in ABS lipping, including rebated edge, for maximum protection using polyurethane adhesive (see below).

Adhesive Type: All components are bonded with specialist polyurethane washroom adhesive, for ultimate water-resistance and strength of bonding. This adhesive is environmentally friendly with zero rating formaldehyde emissions.

IRONMONGERY / ACCESSORIES

Maxwood Aspect Range: Cubicle brackets, butt hinges, indicator bolt (with emergency release), coat hook & foot supports all in brushed stainless steel.

Fixings: Pilasters fixed to floor and ceiling with 20mm stainless steel foot supports.

Divisions fixed to wall and pilaster with channel brackets.

Pull handle supplied for outward opening doors.

SIZE

Overall height: To suit ceiling heights up to 3000mm

Division (h x w): To suit ceiling height x 1500-1800 mm

Door: (h x w): To suit ceiling height x site dimensions

Centre pilaster (h x w): To suit ceiling height x site dimensions

End pilaster (h x w): to suit ceiling height x site dimensions (min. width 100mm)
